FIRST BASKETBALL GAME OF THE YEAR!

Lady Wildcats did a wonderful job on their first game. Started off the first and second quarter warming up. We began the third quarter 24 Santa Fe & 2 Wildcats. We started getting in our groove with Linebach hitting a three pointer. Fourth quarter we really gave it our all and outscored Santa Fe in shots that quarter. Game ended 40 to 32, where we received our last two points at the buzzer. Linebach was our top scorer with 17pts, M. Frerking with 6pts, A. Frerking 5pts and Riekhof 4pts.

We are so proud of ALL of our basketball players, they really did a great job!

Have you seen the new basketball warm-ups? If you would like one of your own, please contact ILS office.
