National Lutheran Schools Week

We have been having a lot of fun this week. Each morning we begin our day in the gym with our brothers and sisters at Immanuel. We gather on the floor with our Chapel families. Chapel families have created cheers to show other students that they are all there. Cheers had to include the name Jesus and their Chapel family color, with not much time to collaborate families came up with these:

“Jesus, Jesus please don’t frown, we are the color **Brown!**”

“Hey Jesus, **Blue** team is here...Go **Blue!**”

“Jesus Loves the **Orange** group too...Go **Orange!**”

“Jesus, Jesus please don’t frown, because the color **Green** ‘s in town!”

“We love Jesus yes we do, **Red** loves Jesus how ‘bout you!”

“Give me a J.E.S.U.S what’s that spell. Jesus. We are the **Yellow, Yellow, Yellow** team and we have Jesus in our hearts!”

“**Purple** (clap,clap) is here (clap,clap) for Jesus
(clap,clap,stomp,stomp)!”

“Jesus is our Power.....Go **Pink!**”

Each day we have went on an Online Mission Trip to Cambodia and learned about the people, culture and the history. No matter where we are in the world, Jesus’ loves shines through.

New 2-in-1's!

This year we have had many upgrades in our technology area. Although a lot of the work has been done behind the walls, one upgrade that the students have truly enjoyed are the 10 donated Komando 2-in-1's.

These Windows 10 units have the appearance of a laptop with keyboard access, but have the capability of folding the screen back, which allows it to become a tablet computer.

These are very useful tools that have been used in many subjects in several different ways. Most of the technology updates have been made possible by a very generous, anonymous gift. Praise God!
