Coming Up!

Dear Parents,

I'm thanking God for each and every one of you! For your help in the classroom, fantastic help on field trips and your willingness to help in so many ways. You are all a giving and kind bunch!

Thank you for your attention to worksheets that come home! When you look with value and pride at the work that comes home you are teaching your child to value education, hard work, and a job well done! Keep up the great work!

Please let me know if there are specific ways that I can help make your job easier or keep your family in prayer.

With great Joy,

Ms. Katie Onnen
