

# Note-Worthy News Miss Onnen's Class

Wednesday, September 7, 2016

## Memory Verse This Week:

Psalm 145:7

"All the paths of the Lord are steadfast love and faithfulness for those who keep His covenant and testimonies."

## Sight Words to Work On

We are working on learning these words and finding them in books.

A and

Uh-oh

Thank you!

## ~V.I.P. folder~

There will be a new calendar in your child's folder tomorrow. If you could please initial the folder each night that would be great!

Please keep in mind that papers will have comments and suggestions for helping your students master the topics that we are studying. Thank you for helping your child "look for" and complete their "homework."

## Phonics...

We are learning the five vowels and their short sounds...

We are writing a book about "Our School!" we are talking about the consonants T and L and beginning to read some simple words. We will begin to work hard on learning our sight words!

## Mathematics...

The kids have really enjoyed playing "cards" in the numbers center with a standard deck without the face cards. Encourage your child to recognize an amount in many various ways... (Playing cards, groups of toys, ten frames and tens and ones all provide students with ways to grow their number knowledge.)

## Science/Social Studies ...

There are three Butterfly chrysalises on the playground! We suspect they are Monarchs like the one that we caught. We are pushing our study of Monarchs ahead a few days to accommodate! Look forward to some lovely artwork!

Dear Parents,

Seeing the faith of your students has been a huge blessing these past few weeks! We have learned about Adam and Eve. We have talked about how heartbroken they must have been after they lost their perfect friendship with God. How wonderful it is that even when they turned away and hid from God, He sent a Savior! What amazing Love that is! We are made new in Christ and through Him we are able to forgive one another!

With Joy,

Miss Katie Onnen
