AMAZING SEASON FOR LADY WILDCATS

Immanuel Lutheran's Lady Wildcats have been on fire this year! Wildcats closed their regular season at 11-1. When a team plays together and believes in each other, what they can accomplish is unbelievable. Cole Camp was the only team that beat these ladies

all season! They received Second Place in the Cole Camp Tournament and First Place in the Santa Fe Tournament. During the Santa Fe Tournament, these ladies won all sets with no defeat.

The Lady Wildcats were led by Cara Riekhof and Lindsey Pulverenti. Both coaches have had many years of experience on the court and have truly made a difference in these young athletes.

They have created a program that challenges the girls along with providing knowledge of the game.

Way to Go Lady Wildcats!

Unable to attend the Faith Five Event last week? Don't worry, we have 6 Family Five starter kits still available at no cost to you. Contact the school Office
